

BENVENUTO!

Welcome to the Antonio's family.

We are a big bunch of passionate food- and drink nerds that resoundingly agree that life gets better through amazing food and drink experiences. The love of our city Karlskrona and the love of Italian cuisine has shaped our jewel Antonio's. At Antonio's we offer both iconic Italian dishes from the fantastic and rich Italian food culture, and also our own interpretations of traditional dishes from both Italy and Sweden.
